## EXPANDING YOUR ANIMAL TRAINING SKILLS: EXPLORING ADVANCED CONCEPTS

**March 12th & 13th 2015**

A seminar hosted by Emmen Zoo in the Netherlands

Are you interested in animal training? Join us for this 2-day seminar with **Tim Sullivan** and **Sabrina Brando**. How do you bring your animal training skills to the next level? The most accomplished trainers have a greater understanding of the nuances of animal learning, training techniques and novel concepts that make them more successful. The result is more productive training and animals that enjoy learning leading to better welfare. This workshop is packed with progressive concepts that will provide each participant with a deeper understanding of animals and how best to train them.

Regular registration fee is Euro 125,00
